

# Resident Resource Guide

During this uncertain time with the COVID-19 pandemic we understand you and your family may have many concerns and questions. Our goal at Peabody Resident Services is to keep you informed as helpful information and resources become available and for your at-home wellbeing and comfort.

This Resident Resource Guide lists contact information and links to local food distribution “grab and go” centers, school-based breakfast and lunch programs for children, senior services, emergency childcare, state unemployment applications, emergency funds, and more. Peabody Resident Services will be updating this document on a regular basis as the situation changes and posting it on the Peabody website under our COVID-19 Response to Residents.

If you or any member of your household may need individual referral assistance, we encourage you reach out to your on-site Management Office, Resident Service Coordinator, or GAFC Case Manager directly. As a reminder, please contact your Primary Healthcare Provider or 911 immediately for any medical needs as Peabody is not a healthcare provider.

Title	Website	Region(s) Served	Phone Number	Assistance	Notes
